## **Additional documents you may receive from us**

When we provide you with financial planning services you may receive:

- a Statement of Advice (**SoA**) or Record of Advice (**RoA**). These documents set out the advice we provide to you. If you have not been provided with the ROA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us;
- a Product Disclosure Statement (**PDS**) which provides details about the significant risks and benefits, costs, charges and other significant characteristics or features of the products we have recommended.

The amount of these fees usually ranges from \$100 to \$1,000 but may exceed this range in complex cases. Details of the fee will be agreed with you beforehand. You may request information about these fees within a reasonable time after receiving this FSG but before you are provided with any general advice.

### **Personal advice**

We will charge you a fee for any personal advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with personal advice. The amount of these fees usually ranges from \$500 to \$5,000 but may exceed this range in complex cases. These fees will be agreed with you beforehand and will be disclosed in a SoA or RoA which will be provided to you.

### **Ongoing fees**

Our ongoing fees depend on the ongoing service that we provide to you. They are typically charged as a percentage based on the value of your portfolio of between 0.5% and 1%, or an agreed fixed price of between \$1,000 and \$15,000 pa and are paid monthly. The amount of ongoing fees will depend on your total assets under management and other factors such as the complexity of your portfolio, the regularity of reviews and any additional services we are providing.

Any ongoing fees will be agreed with you prior to you being charged.

### **Brokerage fees**

We may charge a brokerage fee of between 0% and 1%, with a minimum of \$100 when you buy or sell listed investments. This fee will typically be applied to each transaction as a set percentage of the investment amount.

The services and fees will be set out in the SoA or RoA that we provide to you.

### **Insurance commissions**

We receive a one-off upfront commission when you take out an insurance policy we recommend. The upfront commission will be between 0% and 60% of the first year's annual premium.

We also receive an ongoing commission payment of between 0% and 20% of the annual premium for as long as you continue to hold the policy.

For example, for an insurance product with an annual premium of \$2,000, where the issuer pays us an upfront commission of 60%, we will receive \$1,200. The issuer will pay us 10% of the annual premium
